

## Sciota Township Special Board Meeting

June 25, 2001 - 6 PM

The meeting was called to order by Supervisor Matthews at 6:07 PM. All Board and Planning Commission members were present, and guests arrived throughout the meeting. Guests were Thomas Foster, Tim Brown, Don Dickinson, Dolores and Tom Goff, Gerald Snyder, Megan McMahon, Tod and Carrie Allen, Tim McGarry, Bob Johnstone, Tony Vitu, Carol Vitu, John Valents, Richard Wilburn, Joyce Wilburn, Keith Kingsley.

The Pledge of Allegiance was given.

Don Dickmann spoke about his conversations with Brenda Moore, who is the author of the new Land Use Plan. Brenda will not be at the hearing this evening, but will attend the county meetings when the plan is presented there.

We need to pursue getting someone to write the verbiage for the overlays to the plan. Don has spoken to Dennis Dunnigan, and Dennis indicates that he may be too busy to actually do the job in a timely fashion.

Clerk Johnstone moved that Don Dickmann chair the hearing on the Land Use Plan. Trustee Lee seconded. All in favor.

Clerk Johnstone moved that Supervisor Matthews vice-chair the hearing. Trustee Lee seconded. All in favor.

Treasurer McGarry suggested that the Board might need to reconvene after the hearing so we can approve the Plan.

Trustee Koerner moved that Brenda Moore write the A 1-1/2 language for the overlay, with the assumptions that we will approve the Plan and that it will cost us no more than in the \$1500 range to have her do that. Treasurer McGarry seconded. All in favor.

Clerk Johnstone moved that the Board adjourn until after the Hearing. Trustee Lee seconded. All in favor. The meeting was adjourned at 6:55 PM.
